# OZ-1 HOOK

bag, hat and towel hook for indoors & outdoors

**OZ-1 moulded bag, hat and towel hooks are great for use in all sorts of environments and are manufactured in Australia from super tough injection moulded polypropylene and UV treated for serious outdoor use.**

Available in a range of colours, the OZ-1 hook is perfectly suited for use in schools, sporting clubs, public swimming pools, hospitals, construction, the home and more. OZ-1 hooks have been ergonomically designed with function in mind. OZ-1's compact shape provides two generous points on which to hang your towel, clothes, bags, hats etc. OZ-1 hooks smooth unobtrusive design is safe on clothes and safe on people. No sharp edges or protrusions.

Tested to support up to 150kgs, these hooks not only look good, they're tough and they're safe. Easy to install, easy to maintain, mix and match colours, add your logo, hang in groups, the possibilities are endless. Getting organised just got stylish.
